

### **Application for funds for career event**

In order to support the career development of scientific staff, the Faculty of Natural Sciences grants funds to departments planning and executing of career events for junior researchers.

An amount of DKK 100.000 per year has been earmarked for this type of events, which can be e.g., career talks, workshops, networking events etc. The funds will be distributed two times a year, with application deadlines announced here on the faculty's career website and to the faculty management. It's expected that every year approximately ten applications will be granted about DKK 10.000 each.

### **Application process**

Each application round will be announced at least two months before the application deadline. Events to be supported must meet the following criteria:

- The event must have a clear career developing or career clarifying perspective.
- The event must support both professional and social networking.
- The event must address junior researchers but can have other target groups as well.
- There must be a clear plan for evaluation with the purpose of sharing experiences at the faculty.
